

## **CV Manuel Molina Espinosa**

---

Palma de Mallorca, 1971

Director of publications of Hosteltur Group, began his working life in the Serra Group. In 1992 creates, together with three partners, Ideas y Publicidad de Baleares editorial that in 1.994 launches the Hosteltur magazine. In 1999 Hosteltur leads the publications records of distribution and circulation of the professional tourism industry. In the next years he participates in the creation and launch of other information products of Hosteltur editorial: the magazine of professional tourist information [www.hosteltur.com](http://www.hosteltur.com), the weekly television program Hosteltur TV, the Hosteltur Community ... Today he combines his work as director of publications with the board of directors of Hosteltur, where 40 professionals are working for the creation of the new communication platform that will integrate other services than purely editorial.
